- A.** The NFR OPEN format shall include two long go-rounds, semi-final (Top 8), and final (Top 4) rounds. All NFR OPEN contestants will compete in both go-rounds. Eight contestants with the highest total scores/times from rounds previous to the Semi-Finals/Finals performance in each contest event shall compete in the Semi-Finals round. The top four contestants in each event in the Semi-Finals shall advance to the Finals and will compete for placing and the NFR OPEN Championship. Contestants advancing to the Semi Finals and the Finals will not carry forward scores or times. Average scores/times will not be calculated in the semi-finals/final rounds. Scores for advancement to the Final round shall be determined on a single score or time from the Semi-Final round, unless not enough qualifiers, then revert to the tie breaker to fill remaining position(s). In the semi-finals/finals, where a contestant is disqualified, injured **or turns out for any reason**, the next highest score(s) or fastest time(s) will then advance. Where a tie occurs, advancement to and within the semi-finals / finals will be determined as follows:

## B. FILLING OF SEMI-FINALS / FINALS POSITIONS

### SEMI-FINALS

**AVERAGE SPLITS TIE BREAKER (advancement and awards):** If 8<sup>th</sup> place is split, ties will be taken up to 10 places. If ties for 8<sup>th</sup> place result in more than 10 places, drop all ties and go to Top 7. If 7<sup>th</sup> place is split, ties will be taken up to 10 places. If ties for 7<sup>th</sup> place result in more than 10 places, drop all ties and take Top 6. If ties for 6<sup>th</sup> place result in more than 10 places, advance all ties.

**IF LESS THEN 4 QUALIFIED CONTESTANTS (EXCEPT BULL RIDING):** If there are less than 4 qualified contestants based on fastest average time or highest average score to advance to the semi-finals, a random draw will be done of remaining contestants to fill positions. Contestants who are randomly drawn into the semi-finals are eligible for semi-finals/finals go-round money only and are **not** eligible for Championship awards, titles, or bonuses.

**FINALS TIE BREAKER:** Highest score or fastest time in the semi finals. If still tied, the tie-breaker goes to the highest ranking contestant in the average standings coming into the semi-finals. If still tied, then revert to the fastest time/ highest score in any of the long-go rounds.

### **FILLING OF POSITIONS IN THE BULL RIDING:**

Prior to the start of the NFR OPEN a random list of bull riders will be posted at the secretary's office.

#### MINIMUM OF 8 QUALIFIED RIDES

If a contestant has a long-go round ride(s) and qualifies for the Top 8 semi-finals, contestant will be considered 'qualified'. Qualified contestants will be eligible for Championship title, awards, and bonuses.

Top 8 qualified contestants who make a Top 8 qualified ride will be eligible to advance to the Top 4 Final round. Should there be less than 4 qualified contestants to advance to the Top 4, remaining positions will be filled from the Top 8 remaining contestants based on the Average standings prior to the semi-finals (contestant(s) will still be considered "qualified").

#### COMBINATION OF QUALIFIED RIDERS AND FILLERS

If a contestant does not have a long-go round ride, but is randomly drawn into the Top 8 Semi-Finals, contestant will be considered a 'filler'. Filler contestants will be eligible for semi-finals/finals money only. Filler contestants will NOT be eligible for Championship title, awards, or bonuses.

If there are less than 8 qualified contestants to advance into the Top 8 semi-finals round, remaining positions will be filled from the random draw list (non-qualified "filler"). If a Filler contestant has a Top 8 round ride and advances to the Top 4 Finals, contestant will still be considered Filler and will not be eligible for Championship title, bonuses, or awards.

#### ALL FILLER POSITIONS

Should there be no qualified rides to the Top 8: Positions will be filled from the original random draw list. Contestants with a Top 8 qualified ride will be eligible to advance to the Top 4 and be considered qualified. Should there be less than 4 to advance, positions will be filled by random draw of remaining Top 8 contestants. In this case, only contestant(s) with a qualified Top 8 ride will be eligible to receive Championship title, awards and bonuses. If all Top 8 Contestants are 'filler' contestants and there are no qualified Top 4 rides, Championship will NOT be awarded.

### III. PAYOFF

- A. Sixty percent of the total prize money will be paid in the first two go-rounds and average. The remaining 40% will be paid in the Semi-Finals and Final performance.
