

# CHASE CANS & CALVES

hosted by Dun Hollow Stables

**Saturday, October 28th**  
**[rain date October 29th]**

**To benefit cowboy, Chase Atkinson;**

Chase Atkinson is a NJ cowboy, whose bull riding career was cut short when diagnosed with brain cancer. Chase has undergone brain surgery and now continues to fight his battle with an aggressive treatment. Unable to get back on a bull, he has a new found passion for calf roping, which has been his biggest form of therapy. We all know that this sport can be expensive. This event is to benefit Chase in pursuing his passion of rodeo.
