Re Entries all Events: If needed, will be accepted for available positions 24 hours after entries close. See Rodeo information on rodeo schedule. A contestant that reenters will not be placed in a position that conflicts with his or her position at another rodeo association rodeo or event.

- **TURN OUT/ ALTERNATE PROCEDURE:** Contestants who have originally entered and were eligible at time of entry but were drawn out will be added to an alternate list. These contestants will be notified of any turnouts or doctor releases and be given the option of re-entry up to 24 hours prior to rodeo turn out deadline, any turnouts done after the alternate time frame will be filled by walk up replacements only. If stock has already been drawn in the rough stock they will draw stock from a pool of animals consisting of all turned out stock and reride stock for that performance.

Walk up replacements: Contestants who have originally entered and were eligible at time of entry but were drawn out may, in person, check with the rodeo secretary no later than 1 hour prior to the performance to confirm their and desire to be an alternate. If selected, by random draw of all walk ups available, an alternate will assume the competition position of the contestant that he is replacing, in the rough stock they will draw stock from a pool of animals consisting of all turned out stock for that performance and all re ride stock for that performance. * If a contestant notifies a turn-out, DR or visible release and is replaced by an alternate, the alternate contestant will be responsible for the entry fees. If the contestant that notified the turn out or visible release is not replaced by an alternate, they will be responsible for the entry fee.
