Rules for the Casino Cash:

Be a 21 and get 21. That's \$2,100 to the Casino Cash winner. Rules are simple: Casino cash will be awarded to the horse/rider team whose digits in their time, either Fri, Sat or Sun's time equals "21".

(18.192 = 21). Ties will be broken by a run off. If no 21's in the run off, Casino Cash will be awarded to the next closest # like a 20. All ties in the run off will be broken by the fastest last 3 digits of the run off time.

Winners must be present to accept all prizes. A hit barrel or a penalty will be counted as a no time and will not count towards Casino Cash. It is the contestants responsibility to check the results. Once the run off has started NO ONE will be allowed to enter the run off.

Reserve and pay for stalls/RV on the jotform when entering. All stalls and RV spaces will be assigned first come first serve by PAID entry. Please indicate if you want an outside stall. No portable pens will be allowed. Dry camping is allowed. New draw each day, late entries will run late all 3 days. Draw will be posted on August 4th, entries received after August 3rd 10:00 pm will be in the lates. Casino Night will hold a 10% draw out fee prior to the draw. Absolutely no refunds after the draw is posted. 70% of entry fee and 100% of the added money will be paid out. Added money will be divided evenly between Ds. 5D format, 1/2 second splits. Side pots 1 second splits. Poles 2 second splits.
