4. ENTRY SELECTION AND INVITATION PROCESS

4.1 The 2023 RODEOHOUSTON Super Series is an invitational championship rodeo featuring the top athletes in the sport of rodeo. HLSR management and staff have the sole authority and responsibility to determine the list of invitees to participate in each Super Series and to determine, on a case-by-case basis, which alternate entry will replace any originally invited contestant that chooses not to enter or decides, for whatever reason, not to compete. The initial invited list is determined using the following criteria (see 4.2 and 4.3). Invitations and alternate entry openings will be published by HLSR by the end of the 2022 year. HLSR will not be subject to entry rules and procedures of any sanctioning organizations to include, but not limited to, grace periods and office rules. Entries will be a two-part process through PROCOM and the Houston Livestock Show and Rodeo, opening December 14, 2022. Entries will close through PROCOM on December 20, 2022 at 10:00 AM (MT). The RODEOHOUSTON entry page and contestant agreement link will remain active until December 21, 2022 at 10:00 AM (MT). The contestant must complete both steps in the process in order for the entry to be considered complete and eligible for an invitation. Once entries are accepted and confirmed, the respective Super Series competition and performance dates will be assigned. HLSR will not move or change competition dates due to conflicts with other events. HLSR will offer one, five-day trade period in the month of January. Trades will open through PROCOM Friday, January 13 with a trade deadline of Friday, January 20 at 5 PM (MT). HLSR will offer a second trade period opening Thursday, February 16th with a trade deadline of Monday, February 20 at 5 PM (MT). Alternate entries will not be filled during the trade period. All turn outs will be filled once the trade deadline concludes. All confirmed trades will be final and will be processed immediately after both involved parties have confirmed through PROCOM. After the trade period, no trades will be allowed, no exceptions. HLSR has, in its sole discretion, the right and ability to change competition dates when needed (due to rare and/or extenuating circumstances). In the event that a team roping partner must turn out, during any round of their respective Super Series within the 24 hour mark, HLSR management will work with the partner to either accept an "entered" alternate, or to select an alternate from another event, as long as the selected alternate is not competing in team roping. The injured/released contestant will not be eligible to compete any further in 2023. A new team will be formed with the original partner and the alternate/replacement partner (of the respective header/heeler that turned out). This team will compete together through the remainder of the competition. The injured/released contestant will not be eligible to compete any further in 2023. The new team will assume the earnings/times/standings/etc. of the original team, prior to the injury, for display purposes and tie-breaking procedures only.
